

CONSERVANCY SOCIAL MONITORING HOUSEHOLD SURVEY

Hello, my name is _____ and I am involved in project sponsored by the Northern Rangelands Trust to investigate the livelihoods and well-being of people who live in this conservancy. The goal is to better understand the impact of the conservancy on your daily life.

<ASK TO SPEAK TO THE HOUSEHOLD HEAD, OR IF THE HOUSEHOLD HEAD IS NOT THERE OR BUSY, ASK TO SPEAK TO ANOTHER ADULT MEMBER OF THE HOUSEHOLD. THE PERSON INTERVIEWED MUST BE AT LEAST 18 YEARS OLD.>

I would like to ask a number of questions related to you and your household. The interview will last about 30 minutes. Please note that all the information you provide will be kept confidential and will not be shared with anyone else. The information will only be used to characterize the area in which you live. All individual information will be added together to determine the average for the whole community, so nobody will be able to identify individual participants. There are no risks from participating and there is no right or wrong answers. It is your opinion that is important to us.

Do you have any questions?

Do you agree to participate in this survey?

Thank-you.

Can we find a quiet and comfortable place where I can ask you the questions?
